Well care is a necessary and mandatory part of care in the practice. Please be sure to know your insurance coverage for well care. Try to schedule your appointments early, so you can get a convenient time. The schedule books quickly during the summer, before school starts. Shot records (Blue) and Physical (Yellow) HRS forms are required for daycare entry, kindergarten entry, and Seventh grade entry. If these forms are needed, please call in advance, or be sure to obtain these forms at your well care visits.
